

FAA Safety Team Presents: Pitfalls for Pilots Safety Seminar.

You may have made the same decisions that these pilots made before or during your flight. The only difference is that they had an accident or got violated. Are you a better pilot or is it something else. Join us as we discuss Human Factors, accident investigation and accident review.

Directions: The meeting will be held in Mark Holt's green and tan hangar at the Mason City Municipal airport. See attachment on web site. Mark's hangar is the eastern most hangar with parking space for cars and aircraft.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
